PREMIUM PROFESSIONAL PORTFOLIO

Modern Glassmorphism &
High-Performance UX

Presented by Omar Tantawy

PROJECT OVERVIEW

Objective

Redesign a personal portfolio into a premium, eye-comfortable, and high-conversion landing page.

Goal

Showcase technical mastery through a minimalist yet feature-rich interface.

Core Theme

"Glassmorphism" — combining transparency, blur, and vibrant accents.

ABOUT ME

A passionate developer
with an eye for detail.

I am Omar Tantawy, a Frontend Developer specialized in creating seamless, user-centric digital experiences. My approach blends technical precision with a clean, modern aesthetic.

I thrive on turning complex problems into intuitive solutions. Whether it's building responsive layouts or optimizing performance, I'm committed to delivering high-quality work that stands out.
